NCSD Board of Directors Recognize Nipomo Students for Efforts in Conservation Poster Contest

At its January 13th Regular Meeting, the District’s Board of Directors presented students from Dorothea Lange Elementary, Dana Elementary and Nipomo Elementary with awards recognizing their efforts in the District’s Conservation Poster Contest.

Through a partnership with Science Discovery, the District provided conservation education in 3rd through 6th grade classes at Dorothea Lange Elementary, Dana Elementary and Nipomo Elementary schools during the 2014-2015 school year. The students were given an opportunity to portray what they learned and submitted hand-drawn posters to the District in November. The goal of the poster contest was to encourage the wise use and conservation of water.

This year the District saw a record number of participants. 72 students from six classes participated and awards for first, second, third and Honorable Mentions were presented by Board President, Craig Armstrong.

The posters will be displayed in the District office lobby.

President Armstrong thanked the students for their efforts and commended the teachers for educating students on the importance of conservation.

Next Scheduled Board Meeting: Wednesday, January 27th, 9AM, District Jon S. Seitz Board Room, 148 South Wilson, Nipomo.
