**SUPPLEMENTAL WATER PROJECT PHASE 1
LABOR COMPLIANCE PROGRAM**

ITEM

Adopt Labor Compliance Program for Supplemental Water Project Phase 1 [RECOMMEND BY MOTION AND ROLL CALL VOTE APPROVE RESOLUTION ADOPTING LABOR COMPLIANCE PROGRAM FOR SUPPLEMENTAL WATER PROJECT PHASE 1].

BACKGROUND

A portion of the overall Supplemental Water Project Phase 1 funding includes State of California Proposition 84 bond revenues. As part of the Proposition 84 funding requirements, your Board needs to adopt a Labor Compliance Program to further formalize the practices that the District has been following to meet the labor compliance requirements applicable to the project. Adoption of the resolution attached to this Board letter will satisfy the labor compliance program requirements for Supplemental Water Project Phase 1 that is partially funded under Proposition 84.

FISCAL IMPACT

Cost for labor compliance monitoring activities is already included in the MNS Engineers, Inc. construction management contract previously approved by your Board.

STRATEGIC PLAN

Goal 1 – WATER SUPPLY – Actively plan to provide reliable water supply of sufficient quality and quantity to serve both current customers and those in the long-term future.

RECOMMENDATION

Staff recommends that the Board, by motion and roll call vote, approve Resolution 2014-XXXX SWP Phase 1 Labor Compliance Program, to adopt a Labor Compliance Program for Supplemental Water Project Phase 1.

NIPOMO CSD LABOR COMPLIANCE PROGRAM

INTRODUCTION

The Nipomo Community Services District has developed this Labor Compliance Program (LCP) to further formalize the practices that the District has been following to meet the requirements under the Department of Industrial Relations for Labor Compliance Program (LCP), as required by Labor Code Section 1771, pertaining to the use of public funds for Proposition 84 funded projects, (subject to Public Resource Code 75075). Proposition 84, the Safe Drinking Water, Water Quality and Supply, Flood Control, River and Coastal Protection Act of 2006, was approved by voters in November 2006.

The District recognizes that all labor compliance requirements must be documented and performed in accordance with contract documents, funding requirements, and per DIR requirements. The District will enforce this Labor Compliance Program on projects subject to Public Resource Code 75075. The General Manager, or his designee, will serve as the Labor Compliance Officer (LCO). Violations will be reported to the District's Labor Compliance Officer for review within specified timelines for review and application of appropriate sanctions for non-compliance.

REQUIREMENTS

This LCP is to ensure that workers employed by contractors on Nipomo CSD projects that are partially funded by Proposition 84 are paid according to minimum labor standards. As per California Labor Code Section 1771.5(b), this LCP includes, but is not limited to, the following requirements:

1. Bid Notices: All bid invitations and contracts shall contain appropriate language as per the requirements of the California Labor Code in a competitive bidding process. In the case of a contract for which there is no Call for Bids, the applicable date shall be the date of the award of the contract.

2. Pre-Job Conference: A pre-job conference shall be conducted with the contractor and subcontractors to discuss federal and state labor law requirements applicable to the contract, in accordance with Section 16421 of Title 8 of the California Code of Regulations. Reference is made to the attached checklist, Appendix A.

3. Payment of Prevailing Wage Rates The contractor to whom the contract is awarded and its subcontractors hired for the public works project are required to pay not less than the specified general prevailing wage rates to all workers employed in the execution of the contract. The contractor is responsible for ascertaining and complying with all current general prevailing wage rates for crafts and any rate changes that occur during the life of the contract. Information on all prevailing wage rates and all rate changes are to be posted at the job site for all workers to view.

4. Certified Payroll Reports: Project contractors and subcontractors shall maintain and furnish, at a designated time, a certified copy of each weekly payroll containing a statement of compliance signed under penalty of perjury. Under Labor Code Section 1776, contractors and subcontractors are required to keep accurate payroll records showing the name, address, social security number and work classification of each employee and owner performing work; also the straight time and overtime hours worked each day and each week, the fringe benefits, and, the actual per diem wage paid to each owner, journey person, apprentice worker or other employee hired in connection with the public works project. Employee payroll records shall be certified and shall be made available for inspection at all reasonable hours at the principal office of the contractor/subcontractor, or shall be furnished to any employee, or his/her authorized representative on request, pursuant to Labor Code Section 1776;

NIPOMO CSD LABOR COMPLIANCE PROGRAM

Each contractor and subcontractor shall submit its weekly certified payroll reports to the District on a monthly basis. In the event that there has been no work performed during a given week, the Certified Payroll Report shall be annotated: "No work" for that week. Under Labor Code Section 1776(g) there are penalties required for contractor's/subcontractor's failure to maintain and submit copies of certified payroll records on request.

5. Payroll Record Audits: The General Manager, or his designee, shall review, and if appropriate, audit payroll records to verify compliance as specified in Sections 16428 and 16434. On-site visits may be undertaken randomly or as deemed necessary by the LCP, when workers are present at sites at which the contract for work is being performed. On-site visits shall include visual inspection of (1) the copy of the determinations(s) of the DIR of the prevailing wage rate of per diem wages required to be posted at each job site in compliance with Labor Code Section 1773.2, and (2) the Notice of Labor Compliance Program Approval required to be posted at the job site in accordance with Section 16429 above, listing a telephone number to call for inquiries, questions, or assistance with regard to the Labor Compliance Program. On-site visits may include other activities deemed necessary by the Labor Compliance Program to independently corroborate prevailing wage payments reported on payroll records furnished by contractors and subcontractors.

A written summary reflecting prevailing wage deficiencies for each underpaid worker, including any penalties to be assessed under Labor Code Sections 1775 and 1813, shall be a part of an audit. Available information may include, but is not limited to, worker interviews, complaints from workers or other interested persons, all time cards, cancelled checks, cash receipts, trust fund forms, books, documents, schedules, forms, reports, receipts or other evidences which reflect job assignments, work schedules by days and hours, and the disbursements by way of cash, check, or in whatever form or manner, of funds to a person(s) by job classification and/or skill pursuant to a public works project.

Records supporting an audit shall be maintained by the Labor Compliance Program to satisfy its burden of coming forward with evidence in administrative review proceedings under Labor Code Section 1742 and the Prevailing Wage Hearing Regulations found at Section 17201-17270 of Title 8 of the California Code of Regulations.

6. Withholding of Contract Payments: The District shall withhold contract payments when payroll records are delinquent or inadequate. Withholding of contract payments by a Labor Compliance Program, approved by the DIR is authorized by Labor Code Section 1771.6 and Title 8, California Code of Regulations, Section 16435, et seq.

After determination of the amount of forfeiture by the Labor Commissioner, the District shall provide Notice of Withholding of contract payments ("Notice" or "NWCP") to the contractor and subcontractor, if applicable. The notice shall be in writing and shall describe the nature of the violation and the amount of wages, penalties, and forfeitures withheld. Service shall be completed pursuant to Civil Procedure Code Section 1013 by first-class and certified mail to the contractor and subcontractor, if applicable.

7. Penalties for Inadequate Payroll Records: In addition to withholding contract payments based on delinquent or inadequate payroll records, penalties shall be assessed under Labor Code Section 1776, subdivision (g) for failure to timely comply with a written request for certified payroll records.

NIPOMO CSD LABOR COMPLIANCE PROGRAM

8. Annual Reporting on the LCP to Director of DIR: The District shall submit an Annual Report to the Director of the Department of Industrial Relations regarding the monitoring of prevailing wage in the format required which includes the following information:

A. Progress report on the LCP in sufficient detail to afford a basis for evaluating the scope and level of enforcement activity of the LCP.

B. Annual reporting period summary of prevailing wage:

i. Monitoring activities

ii. Record keeping activities

iii. Labor Code violations identified and reported to DLSE

iv. Statistical analysis of the prevailing wage violations on projects

v. Summary of outreach activities:

a. Certification of compliance with conflict of interest disclosure requirements as defined by Title 2, CA Code of Regulations Section 18701

NIPOMO CSD LABOR COMPLIANCE PROGRAM

Appendix A

Checklist of Labor Law Requirements to Review at Prejob Conference, Section 16421, with suggested Certification by contractor.

The federal and state labor law requirements applicable to the contract are composed of but not limited to the following items:

- (1) The contractor's duty to pay prevailing wages under Labor Code Section 1770 et seq., should the project exceed the exemption amounts;
- (2) The contractor's duty to employ registered apprentices on the public works project under Labor Code Section 1777.5;
- (3) The penalties for failure to pay prevailing wages (for non-exempt projects) and employ apprentices including forfeitures and debarment under Labor Code Sections 1775 and 1777.7;
- (4) The requirement to keep and submit copies upon request of certified payroll records under Labor Code Section 1776, and penalties for failure to do so under Labor Code Section 1776(g);
- (5) The prohibition against employment discrimination under Labor Code Section 1777.6; the Government Code, and Title VII of the Civil Rights Act of 1964;
- (6) The prohibition against accepting or extracting kickback from employee wages under Labor Code Section 1778;
- (7) The prohibition against accepting fees for registering any person for public work under Labor Code Section 1779; or for filling work orders on public works under Labor Code Section 1780;
- (8) The requirement to list all subcontractors under Public Contracts Code Section 4104;
- (9) The requirement to be properly licensed and to require all subcontractors to be properly licensed and the penalty for employing workers while unlicensed under Labor Code Section 1021 and under the California Contractors License Law, found at Business and Professions Code Section 7000 et seq;
- (10) The prohibition against unfair competition under Business and Professions Code Sections 17200-17208;
- (11) The requirement that the contractor be properly insured for Workers Compensation under Labor Code Section 1861;
- (12) The requirement that the contractor abide by the Occupational, Safety and Health laws and regulations that apply to the particular construction project;
- (13) The federal prohibition against hiring undocumented workers, and the requirement to secure proof of eligibility/citizenship from all workers.
- (14) The requirement to provide itemized wage statements to employees under Labor Code Section 226.

SUPPLEMENTAL WATER PROJECT PHASE 1
AWARD OF CONSTRUCTION CONTRACT FOR
BLOSSER ROAD WATER MAIN

ITEM

Award contract for Supplemental Water Project Phase 1 Blosser Road Water Main to D-Kal Engineering, Inc. in the amount of \$1,599,999 and authorize construction contingency in the amount of \$160,000 [RECOMMEND BY MOTION AND ROLL CALL VOTE ADOPT RESOLUTION AWARDED CONTRACT TO LOWEST RESPONSIVE AND RESPONSIBLE BIDDER D-KAL ENGINEERING, INC. IN AMOUNT OF \$1,599,999, AUTHORIZE STAFF TO EXECUTE CONTRACT, AND AUTHORIZE CHANGE ORDER CONSTRUCTION CONTINGENCY IN THE AMOUNT OF \$160,000].

BACKGROUND

On June 20, 2013, your Board awarded three (3) construction contracts for Supplemental Water Project Phase 1. One contract, for the Blosser Road Water Main portion of the work, was subsequently terminated for convenience in January 2014. The bid documents were revised to include additional City of Santa Maria traffic control requirements, County of Santa Barbara Flood Control District requirements, United States Army Corp of Engineer requirements, and California Department of Fish and Wildlife requirements. In addition, the bid documents were revised to include additional technical details related to the connection of the Blosser Road Water Main portion of the work to the HDPE pipeline installed by the Bid Package 1 contractor and coordination requirements with the Bid Package 4 contractor. Finally, the revised bid documents also included requirements related to the materials the District acquired related to termination of the previous contract. The Board authorized staff to rebid the project on June 25, 2014.

On August 21, 2014, bids for the Project were opened from seven (7) bidders as listed below:

Contractor	Total Bid Price
D-Kal Engineering, Inc.	\$1,599,999
John Madonna Construction Co., Inc.	\$1,673,220
Toro Enterprises, Inc.	\$1,826,116
Raminha Construction, Inc.	\$1,869,550
Spiess Construction Co., Inc.	\$1,927,770
Blois Construction, Inc.	\$2,853,099
Specialty Construction, Inc.	\$3,550,710

The apparent low bidder was D-Kal Engineering, Inc. with a bid of \$1,599,999. Staff reviewed the bid and determined that the bid is responsive and the bidder is responsible. The engineer's estimate for construction of the revised project was \$2,000,000.

SUPPLEMENTAL WATER PROJECT PHASE 1 ENVIRONMENTAL REVIEW

The Project Final EIR was certified by the District in April 2009. In May 2009, the Board adopted a resolution making CEQA project findings, adopting a statement of overriding considerations, adopting a project mitigation monitoring plan, approving the Supplemental Water Project and directing staff to file a Notice of Determination with the County in compliance with CEQA. A Supplemental EIR was certified by the District in April 2012. Applicable mitigation measures were incorporated into the revised construction contract documents.

SCHEDULE

The tentative schedule is as follows:

- Contract Award – September 2014
- Construction September 2014 – January 2015

FISCAL IMPACT

Funding for the project is available in the FY 2014-2015 budget. The construction cost is within the funding plan amount originally approved for Phase 1 of the Supplemental Water Project.

STRATEGIC PLAN

Goal 1 – WATER SUPPLY – Actively plan to provide reliable water supply of sufficient quality and quantity to serve both current customers and those in the long-term future.

RECOMMENDATION

Staff recommends that the Board, by motion and roll call vote, adopt Resolution 2014-XXXX SWP Phase 1 Blosser Road Water Main Bid Award to:

1. Award the bid for the Supplemental Water Project Phase 1 Blosser Road Water Main to lowest responsive and responsible bidder, D-Kal Engineering, Inc., in the amount of \$1,599,999 and authorize General Manager to execute the construction agreement.
2. Authorize the General Manager to issue Change Orders for construction of the project with an aggregate total amount not to exceed \$160,000.

RE: 2014 CONFLICT OF INTEREST BIENNIAL REVISION

BACKGROUND

I received a telephone call from the San Luis Obispo County Clerk Recorder requesting a formatting change to the newly adopted 2014 Conflict of Interest Appendix "B". The Recorder indicated a change in the designated positions for the members that have financial authority. Pursuant to the Recorder's instructions, the Governing Board, General Manager and Financial Director were stricken from the designated positions listed in the beginning and put in a separate box under the section regarding financial authority.

RECOMMENDATION

As the biennial update only required a minor change in formatting, I recommend that the amended version be made a part of the recently adopted biennial update without the need for a complete readoption of the policy.

Therefore, I am providing both the clean version as well as the amended version for incorporation into the recently adopted Conflict of Interest Policy.
