Nipomo CSD Board of Directors Award Contract for Rate Study

At its October 26th Regular meeting, the District’s Board of Directors awarded a contract for a water rate study to Clayton Tuckfield and Associates (Tuckfield & Associates) of Newport Beach, California. The contract is valued at \$57,792.

The rate study will be conducted over the next several months and include a number of public meetings. Rate studies are conducted to assess the current and projected financial ‘fitness’ of the District’s various independent funds. In this case, the water fund, which all District water customers support through rates, will be evaluated.

General Manager, Mario Iglesias, commented that the goal of the study is to “review the financial requirements of the community’s water system and ensure a fair and equitable water rate structure is in place to allow the District to perform its contractual and legal obligations, while ensuring long-term financial stability of the Water Fund.”

Next Scheduled Regular Board Meeting: Wednesday, November 9th, 9AM, District Jon S. Seitz Board Room, 148 South Wilson, Nipomo.
