**NCSD Board of Directors Recognize Nipomo Students for Efforts in Conservation Poster Contest**

At its January 11<sup>th</sup> Regular Meeting, the District's Board of Directors presented students from Dorothea Lange Elementary, Dana Elementary and Nipomo Elementary with awards recognizing their efforts in the District's Conservation Poster Contest.

Through a partnership with Science Discovery, the District provided conservation education in 3<sup>rd</sup> through 6<sup>th</sup> grade classes at Dorothea Lange Elementary, Dana Elementary and Nipomo Elementary schools during the 2015-2016 school year. The students were given an opportunity to portray what they learned and submitted hand-drawn posters to the District in November. The goal of the poster contest is to encourage the wise use and conservation of water.

This year the District saw a record number of participating classes. 70 students from eight classes participated and awards for first, second, third and Honorable Mentions were presented by Board President, Dan Allen Gaddis.

The posters will be displayed in the District office lobby in the coming months.

The Board of Directors and District staff thanked the students for their efforts and commended the teachers for educating students on the importance of water conservation.

Next Scheduled Board Meeting: Wednesday, January 25<sup>th</sup>, 9AM, District Jon S. Seitz Board Room, 148 South Wilson, Nipomo.
