## TRANSPARENCY CERTIFICATE OF EXCELLENCE

### ITEM

The Special District Leadership Foundation awarded the District a Transparency Certificate of Excellence [RECOMMEND RECEIVE CERTIFICATE]

### BACKGROUND

On May 22, 2013, Nipomo Community Services District received the District Transparency Certificate of Excellence from Special District Leadership Foundation.

Special District Leadership Foundation (SDLF) is an affiliate of California Special District Association (CSDA). The Foundation recently developed the Transparency Certificate of Excellence program to recognize Special Districts which display a dedication to being fully transparent as well as open and accessible to the public and stakeholders.

The District is the first special district in San Luis Obispo County to be so recognized, and one of the first hand full of districts state-wide to receive the honor. The certificate application process included developing a thorough record of District information policies, ethics training, newsletters, web site information, public involvement activities and communication protocol. An independent review of the information was conducted by both the Executive Officer of SLO Local Agency Formation Commission and the General Manager of Heritage Ranch CSD.

District staff continues to seek improvement in transparency and public involvement.

The Certificate will be formally presented to the District at the 2013 CSDA Annual Conference to be held September 16-19 in Monterey, California.

RE: District Transparency Certificate of Excellence

Dear Mr. LeBrun:

Congratulations! The Nipomo Community Services District has successfully completed the District Transparency Certificate of Excellence program through the Special District Leadership Foundation (SDLF).

On behalf of the SDLF Board of Directors, I would like to congratulate your district on achieving this important certificate. By completing the District Transparency Certificate of Excellence Program, the Nipomo Community Services District has proven its dedication to being fully transparent as well as open and accessible to the public and other stakeholders.

Included with this letter is your press release template and a window cling so your district may showcase this important accomplishment.

I have also included a brochure for a program that would be the next step for your district – the District of Distinction (DoD) Accreditation. The SDLF Board has waived all application fees for new applicants to the DoD program in 2013, so now is a great time to get accredited!

Congratulations and thank you for your dedication to excellence in local government.

Most sincerely,

San Luis Obispo, CA 93401

Dear Assembly Member Achadjian:

On behalf of the Special Districts Leadership Foundation (SDLF), I am pleased to inform you that the Nipomo Community Services District is the recipient of the SDLF District Transparency Certificate of Excellence, in recognition of the district's outstanding efforts to promote transparency and good governance. By receiving this Certificate, the Nipomo Community Services District has demonstrated its commitment to being open and accessible to constituents and local stakeholders.

SDLF is an independent, non-profit organization formed to promote good governance and best practices among California's special districts through certification, accreditation and other recognition programs. In order to receive the Certification, the Nipomo Community Services District first had to complete eight essential governance transparency requirements, including conducting ethics training for all board members, properly conducting open and public meetings, and filing Financial Transactions and Compensation Reports to the State Controller in a timely manner.

The district also fulfilled fifteen website requirements, providing readily available information to the public, such as board agendas, past minutes, the current district budget, and the most recent financial audit. Finally, the district confirmed its commitment to public engagement through a regular district newsletter and community transparency reviews.

The Nipomo Community Services District is commended for its efforts to conduct business on behalf of its constituents in an open and transparent manner and serves as a model of best practices for other agencies in our state.

Sincerely,

David Aranda  
SDLF President
