Board of Directors Receive Certificate of Achievement for Excellence in Financial Reporting

At the Wednesday, May 14th Regular Board meeting, the Board of Directors received the Government Finance Officers Association’s Certificate of Achievement for Excellence in Financial Reporting.

On March 28, the Government Finance Officers Association notified Nipomo CSD that the District’s annual financial report (audit) for 2012-2013 qualified for the Association’s Achievement of Excellence in Financial Reporting.

The GFOA’s Certificate of Achievement is the highest form of recognition in governmental accounting and financial reporting. Attainment of the Certificate represents a significant accomplishment by a government and its management.

The Association also specifically recognized District Finance Director and 22-year District employee, Ms. Lisa Bognuda with an Award of Financial Reporting Achievement for her instrumental role in the District achieving a level of accounting excellence.

Board President, Craig Armstrong, stated “With my background in finance, I am well aware of how difficult it is to comply with the ever-changing rules and regulations of accounting. District management and especially Ms. Bognuda deserve the community’s deep appreciation for the job they are doing.”
