SUPPLEMENTAL WATER PROJECT PHASE 1 BLOSSER ROAD WATER MAIN AUTHORIZATION TO BID

ITEM

Authorize staff to advertise Supplemental Water Project Phase 1 Blosser Road Water Main for bid [RECOMMEND AUTHORE STAFF TO ADVERTISE PROJECT FOR BID].

BACKGROUND

On June 20, 2013, your Board awarded three (3) construction contracts for Supplemental Water Project Phase 1. One contract, for the Blosser Road Water Main portion of the work, was subsequently terminated for convenience in January 2014.

Since that time, District staff, AECOM, the District's design engineer, and MNS Engineers, the District's construction manager, have been working to revise the contract documents so that the Blosser Road Water Main portion of the work could be rebid. The bid documents are being revised to include additional City of Santa Maria traffic control requirements, County of Santa Barbara Flood Control District requirements, United States Army Corp of Engineer requirements, and California Department of Fish and Wildlife requirements. In addition, the bid documents are being revised to include additional technical details related to the connection of the Blosser Road Water Main portion of the work to the HDPE pipeline installed by the Bid Package 1 contractor and coordination requirements with the Bid Package 4 contractor. Finally, the bid documents will also include requirements related to the materials the District acquired related to termination of the previous contract.

SUPPLEMENTAL WATER PROJECT PHASE 1 ENVIRONMENTAL REVIEW

The Project Final EIR was certified by the District in April 2009. In May 2009, the Board adopted a resolution making CEQA project findings, adopting a statement of overriding considerations, adopting a project mitigation monitoring plan, approving the Supplemental Water Project and directing staff to file a Notice of Determination with the County in compliance with CEQA. A Supplemental EIR was certified by the District in April 2012.

The tentative schedule is as follows:

- Authorization to Bid – June 2014
- Advertise for Bid – July 2014
- Contract Award – August 2014
- Construction September 2014 – December 2014

FISCAL IMPACT

Candidate Statement
Region 5, Seat C
Vincent Ferrante-Incumbent

I currently serve on the CSDA Board of Directors as the Board Secretary and am the Chairperson on the following committees: Educational Development, Alliance Executive Council (for CSDA, SDRMA, Financial Corp.) I serve on the following committees: Fiscal, Membership Services and have served on the Legislative Committee for the past few years. In 2013 I was appointed to the Regionalization Task Force Committee, along with five other board members and the Executive Staff, to explore ways to better serve the six CSDA regions. Our goal is to improve and find better methods to serve all Special Districts in each region and increase membership. Initializing ideas developed by the Board members and staff, we will provide more efficient and targeted service for all chapters and districts. I believe this is very important in order to make CSDA more successful. Today CSDA, along with the Special Districts, are faced with many important issues which we will be able to address with more timely and appropriate solutions. I have worked with the Advocacy Staff on the Legislative Committee to provide good interaction with our State Representatives to respond appropriately to the variety of bills which impact Special Districts. I will continue to be a liaison between CSDA, Special Districts and the Chapters in Region 5.

I am well qualified for this position, having served as an elected official for Moss Landing Harbor District Board of Harbor Commissioners since 2003 and completed the CSDA Governance Academy. Between the Academy and my experience on the Moss Landing Harbor Commission, I bring experience and strong work ethic to the Board. I believe my dedication to Special Districts makes me an excellent choice to represent local government agencies' interests and needs at CSDA.

Sincerely;

Vincent C. Ferrante

Director/CSDA Board Secretary
Vince Ferrante
Commissioner, Moss Landing Harbor District

Dear Board President:

Ballots will be arriving shortly for the election of CSDA Region/Network 5 Seat C. I would greatly appreciate the support and vote of your Board.

For the past 12 years I have served as a Commissioner for the Moss Landing Harbor District.

I have served on the CSDA Board for the past two years and chair a number of committees and hold the current position of Board Secretary.

I would like to continue the work I have begun during the past year. I am a staunch believer in public service and education and liaison for CSDA is of great importance. I believe that we need to continue to look for a variety of means to be innovative and creative in addressing the needs of all Special Districts, while striving to be cost efficient and finding ways to get more bang for our bucks.

I have an excellent history of collaboration with other members of CSDA and have worked diligently on the Legislative Committee to bring our issues forward. I feel that I am the most qualified candidate for the Region 5 seat as I have represented this region well for the past two years and my experience, knowledge, dedication and commitment will allow me to continue to provide the best level of service and representation for our district. I am asking for your vote and support to allow me to continue to serve you in the future.

My Fellow CSDA Members

I am requesting your support for my bid as the Region 5, Seat C, Board of Directors representative for the California Special Districts Association (CSDA).

As the current Vice President of the Board of Directors for the Pleasant Valley Recreation and Park District (PVRPD), I support CSDA's on-going efforts to offer educational classes and informative conferences and their active monitoring of legislative and policy proposals that greatly affect District operations. Through my involvement with CSDA I actively serve on the Fiscal and Audit Committees and Legislative Feedback group and have previously served on the By-laws and Elections Committee.

If elected, I will work with the other Board Members and CSDA staff to increase memberships, lower membership fees and other expenses and enhance the service provided to the member agencies.

I have been on the PVRPD Board of Directors since February 2008. I have served as Board President and currently serve on the Personnel, Long Range and Foundation committees and am the District's representative to the Ventura County Special Districts Association (VCSDA) and CSDA. I worked in Public Service for 31 years most of which were in law enforcement Human Resources. Additionally, I worked as a contract investigator for the Department of Justice for 10 years following my retirement. My experience on the Pleasant Valley Recreation and Park District (PVRPD) Board of Directors and my work as a public servant has provided me with a solid foundation of experience and prepared me to represent your District's interests on the CSDA Board of Directors.

I would appreciate the opportunity to serve as a Region 5 Representative on the CSDA Board of Directors and respectfully ask for your vote.

Sincerely,

Elaine L. Magner, Director

Pleasant Valley Recreation and Park District
