 OCTOBER 25, 2017**

GENERAL MANAGER'S REPORT

ITEM

Standing report to your Honorable Board -- *Period covered by this report is October 8, 2017 through October 21, 2017.*

DISTRICT BUSINESS

Administrative

The District encourages residents to provide reports of any observed water waste. The District keeps an accounting of leak adjustments as a measure of non-revenue water lost to leaks. The September data below is the current.

Office Activities

	Sept-17	Jul-Sept 2017
Reports of water waste followed up on	0	1
Leak Adjustments	1	5
Leak Adjustment Amount	\$389	\$3,142

Water Resources

1) Total Production (AF)

	Setp-17	Year to date Setp-17
Groundwater Production	99.9	343.1
Supplemental Water Imported	<u>82.9</u>	<u>254.7</u>
Total Production	<u>182.8</u>	<u>597.8</u>

In September 2017, NCSD imported 82.9 AF of water over the 30 day period averaging 625 gallons per minute for a daily total of 900,435 gallons per day. For fiscal year 2017-18 [July-2017 through June-2018] the District must import 800 AF of supplemental water. To import this amount of water, NCSD must maintain an average of 66.7 AF per month from the City of Santa Maria. The District imported 85.8 for August 2017, 19.1 AF more than the minimum required to reach the District's import water objective. It is anticipated that during the winter months the District will be importing less water onto the mesa due to the water system's pipeline restrictions and reduced consumption.

Table 2. FY 2018 Demand Reduction as Compared to 2013

	Setp-17	Year-to-Date Jul-Sept 2017
Total Production (AF) for FY 2017-18	182.8	597.8
Total Production (AF) for 2013	<u>264.0</u>	<u>820.8</u>
Reduction	81.2	229.1
Percentage Reduction	30.8%	27.2%

For September 2017, the community's water conservation effort reached 30.8% compared to August 2013. Year-to-Date conservation efforts are slightly less at 27.2% due to July and August conservation levels of 25.2% and 25.7% respectively.

3) NCSD GW Reduction

The District's purveyor customers, GSWC and WMWC, each claim 16.66% (cumulatively 33.33%) of the imported water NCSD brings onto the basin through the NSWP. Of the 800 AF minimum imported water from the CSM, 266.6 AF will be credited to these two purveyor customers. The credited amount must be added to the District's groundwater pumping total every month to reflect the groundwater pumped by these customers in-lieu of taking imported water from the District. Table 3 below demonstrates the calculus for determining the District's groundwater reduction.

Table 3. NCSD GW Reduction (NCSD GW Well Production plus Purveyor Credit)

	Setp-17	Year-to-Date
NCSD GW Well Production	99.9	343.1
Purveyor Customer Credit (33.3% of Import Water)	<u>17.0</u>	<u>56.7</u>
NCSD Total Calculated GW Production	116.9	399.8
Average GW Production for 2009-2013	<u>264.7</u>	<u>840.6</u>
NCSD Percentage of GW Reduction	56%	52%

Taking into consideration the above referenced purveyor customer credit the District can claim a groundwater pumping reduction of 56% for the month of September compared to the 5-year average from 2009 to 2013. For the first three months of the fiscal year, the cumulative groundwater pumping reduction is reached 52%, 4% additional conservation than the first two months. At the current Stage IV level of NMMA's Water Shortage Condition and Response Plan, the District has targeted groundwater reduction level of 50% for the year.

Rainfall Gauge

Rainfall Summary (Reported in inches)	Nipomo East (Dana Hills Reservoirs)	Nipomo South (Southland Plant)
September 2017 Total	0.0	0.04
July-2017 through June-2018 (Seasonal Total)	0.0	0.04
<hr/>		
Average Annual Year Rainfall	18	16

Safety Program

- No accidents or incidents to report.

Public Outreach

- [Attachment A] The following Public Outreach Program materials are attached:
 - A summary of recent outreach and education activities
 - District related outreach, advertising and news coverage
 - Press release log
 - Website statistics

Other Items and News of Interest

Supplemental Water Capacity Accounting

The District is not currently accepting applications for new water service.

Supplemental Water Available for Allocation	500	AFY
Supplemental Water Reserved (Will Serve Letters Issued)	-23.2	AFY
Subtotal Net Supplemental Water Available for Allocation	476.8	AFY
Supplemental Water Assigned (Intent-to-Serve Issued)	-169.9	AFY
Total Remaining Supplemental Water Available for Allocation	306.9	AFY

This information is accurate up to August 31, 2017.

Connection Report

The Connection Report is current through Sept. 2017.

Nipomo Community Services District Water and Sewer Connections		END OF MONTH REPORT

Meetings (October 8 through October 21)

Meetings Attended (telephonically or in person):

- Oct 8, October Festival
- Oct 10, Public Information Program Update
- Oct 11, Rotary
- Oct 11, NCSD Regular Board Meeting
- Oct 11, General Counsel/Management Team
- Oct 12, Old Town Association
- Oct 14, Nipomo Park Tree Planting
- Oct 16, Board Officers
- Oct 17, Public Information Program Update
- Oct 17, Eng/Admin
- Oct 17, Management Team
- Oct 18, Rotary
- Oct 18, NMMA Purveyor Managers
- Oct 18, CSDA Quarterly Meeting
- Oct 19, SDRMA Safety Program Audit
- Oct 19, City of Santa Maria/SLO County PW
- Oct 20, NMMA-TG Meeting

Meetings Scheduled (October 22 through October 28):

- Oct 23, NCMA/NMMA Manager's Meeting
- Oct 24, Public Information Program Update
- Oct 25, Rotary
- Oct 25, Regular Board Meeting
- Oct 25, General Counsel/Management Team

Water Resource Meetings

- NMMA-TG: October 20th @ 10 AM, NCSD Office
- RWMG December 6th @ 10:00 AM, SLO Library
- WRAC: November 1st @ 1:30 PM, SLO Library
- NMMA Purveyor Meeting: October 18th @ 10 AM, NCSD Office
- NCMA/NMMA Managers Meeting: October 23rd (Prep for November 17th CMC)

Third-grade children given puppy care books by Grandma Tink

Author hopes to expand program throughout region

STAFF REPORT

The children in three third-grade classrooms at Dana Elementary received a special treat recently when Grandma Tink, aka Ethel Landers, arrived in her paint-splashed apron to read and gift each child her recently published book on animal care.

Grandma Tink is a fixture at Dana Elementary — as a volunteer she's painted a total of seven murals on the school walls plus led art classes. This time she spread the message of how to properly care for animals, especially dogs and cats. Her book is called "Every Puppy Needs..." subtitled "Cada Cachorro Necesita..." and is written concurrently in English and Spanish at approximately third grade level.

"I'm 67 years old. Writing and illustrating this little book and gifting it to children was on my bucket list for the past 15 years," explained Landers. "I created the prototype in 2003 while finishing my art degree at Cal Poly San Luis Obispo but wasn't sure how to get the project funded. Then last year I discovered the website GoFundMe and realized many generous people loved my idea of raising animals one child at a time."

So Landers established the goal of writing, illustrating, publishing and then gifting 1,000 copies of her book to children living in areas where animal over-population and abuse and/or neglect are

Students at Dana Elementary listen to "Grandma Tink," Ethel Landers in real life, read her recently published book on animal care.

A student at Dana Elementary participates in a reading program.

probable. Over 50 donors supported her idea and by August 2017 the book was in print and being gifted to others. It also is available to the general public on Amazon.com

"My dream is to receive enough public support to read and gift books to every third-grade child in Santa Maria, Nipomo, Guadalupe and Oceano. So far we have

received gifts covering the cost of 1,000 books," said Landers.

Wanda McDonald, an animal advocate and past board member of the Santa Maria Valley Humane Society, will take the lead on reading to children in Santa Maria while Landers covers Nipomo. Claire Sheehy and John Hamann are key donors for the project.

"I'm hoping to soon partner with a local animal-focused nonprofit so the program can be expanded via grant funding. So far all supporters have given from their hearts without the ability to gain a tax deduction for their gifts. But isn't that what it's all about anyway — giving from the heart?" asked Landers with a smile.

For more information about "Every Puppy Needs..." written and illustrated by Grandma Tink, contact Landers at www.ethellanders.com or write to ethellanders@charter.net

OUR NIPOMO

A mountain lion sighting, poker and golf galore

Critter Corner: Well, we have had some very interesting experiences this week. First of all we have had several Monty sightings. Monty is our resident mountain lion. He is such a beautiful male cat but never comes down from the upper parts unless he needs water. We have also had several coyote sightings, as a matter of fact

TOM WETZEL

one young guy ran between the third and fourth holes in the fairways with lots of golfers watching him. He was on a mission to get away from something or to make sure those golfers did not stop him. He was in a hurry just to get out of the fairways and some place safe. Not too far away was Mama Hawk, working that part of the fairway for mice for her babies. She of course was up in a very tall tree just looking things over. The young coyote was not interested in her at all, he just wanted to get away from all those golfers that were standing around watching him run as fast as he could. That was our excitement for the day.

Yoga at Blacklake: Nicolla Wilson is interested in starting up a Wednesday 11 to 11:45 a.m. yoga class. Cost will be \$5 per session. Let the office know if you are interested. Time is of the essence, so let them know quickly.

Blacklake Gyro Mens Friendship Club will hold their October Fest on Thursday, Oct. 12, at the community room. Cost is \$10 per person. RSVP to Ed Henderson at 929-2797 or Bob McGill at 343-0827.

Kiwans Club of Orcutt will hold their poker championship on Saturday, Oct. 14. The location remains a mystery. You will have to purchase your ticket, then scan the QR code to find clues to the mystery location between 3 and 9 p.m. The location will be revealed Oct. 9 by scanning the code on the tickets you have purchased to participate. There is a limit of 150 tickets priced at \$55 each, which includes a meal, major prizes for the final table contestants, golf packages. Six Flags Magic Mountain Flight Feast tickets and more. If you require additional

information please call (805) 937-9750, ext. 5, or email cultpokers5@gmail.com. This sounds like a fun event, one you should participate in.

Nipomo Firefighters Association Pancake Breakfast will take place on Sunday, Nov. 19. Paid call firefighters and volunteers from stations 20 and 22 will prepare pancakes, eggs and sausage for the community, open Station 20 for tours, provide fun kids activities and hold a raffle for Disneyland tickets to benefit the NFA firefighters and the community. Please stop by fire station 20, located at 450 Pioneer Avenue (behind McDonald's) in Nipomo, between 7:30 and 11 a.m. on Nov. 19 and get to know your local volunteer firefighters. Tickets are \$5 for adults and \$3 for children. They are also available at the door on the day of the event or from any NFA member. Contact Jude Hugstrom (805) 200-0005, for more information.

L.A. Christmas Cash and Carry Gift Show will take place Nov. 3-5. Hope all of you will trot on over to your best merchant to see what is new and hot for the holidays. I will be attending and hope to find lots of great items and great gifts for family and friends. I'll keep you all posted as to what is new on the market.

Blacklake Fall Golf Classic is taking place on Thursday, Oct. 9 at Blacklake Golf Course. All golfers are welcome. There is an 11 a.m. shotgun start. 5:30 p.m. no-host bar. 6 p.m. awards dinner. Dinner is \$10, golf \$20. Golf and dinner are \$50. Modified Scramble format entries will be handicapped. Bring a team or they will help you form one. The entry deadline is Oct. 15. This event helps to support Backpacks for Kids, Eyesight for Kids. Please bring your old glasses and cell phones. We can dispense of them and this will assist in raising funds to help children in our community. Contact person is Mark Westfall, 343-0644.

Toni Wetzel is the owner of the Best of Everything, featuring unique gifts and gift baskets, and a former president of the Nipomo Chamber of Commerce. Nonprofit and other community organizations may submit items for this column by contacting her at 343-0283 or toniwetzel5@gmail.com.

Native Garden plant sale Saturday

Little Free Library to open at same time

STAFF REPORT

The Nipomo Native Garden will hold its annual plant sale Saturday, featuring hundreds of native and drought tolerant plants to choose from and purchase, with knowledgeable people to help customers make the best choices. The sale will take place in the parking lot at the garden from 9 a.m. to 1 p.m. To reach the parking lot take 78th Street to Pomero, then turn left on Camino Caballo and right on Osage Road. Come early for best selection.

In addition to the plant sale, the Nipomo Native Garden will have the opening of their Little Free Library at 11 a.m. in the Children's Garden. Little Free Libraries are part of a nationwide movement to share books and bring communities together. Their motto is

People looking for good deals on native and drought-tolerant landscaping plants browse the many types offered by Nipomo Native Garden during its 2015 fall plant sale in the garden parking lot on Osage Road in Nipomo.

"Bring a Book, Take a Book." We are hoping that our library will provide enjoyment to children and adults alike and that it will become self-sustaining, with visi-

tors leaving their used books for others to enjoy and taking away something that will interest them. For more information, contact Cindy Jelonek at 929-3589.

NOTICE OF PUBLIC HEARING

NOTICE IS HEREBY GIVEN the Board of Directors ("Board") of the Nipomo Community Services District ("District") will hold a public hearing on October 25, 2017, at 9:00 a.m. or as soon thereafter as is possible, in the Jon E. Seltz Board Room, located at 148 South Wilson Street, Nipomo, California.

Said public hearing is to consider approving a budget adjustment and a Program Development Agreement ("Agreement") with Opterra Energy Services, Inc., to perform an integrated energy assessment and to identify supply-side and/or demand-side energy conservation measures to be installed or implemented at District facilities. The sole-sourcing of the Agreement is authorized by California Government Code Section 4217.10, et seq., and the District Board will adopt a resolution containing certain findings required by said Government Code Sections.

Please note that if you challenge the Board's action with respect to this matter in court, you may be limited to raising only those issues you or someone else raised at the public hearing described in this notice, or in written correspondence delivered to the District, either at or prior to the public hearing.

**SUMMARY OF AN ORDINANCE OF THE
BOARD OF DIRECTORS OF
THE NIPOMO COMMUNITY SERVICES DISTRICT
AMENDING NIPOMO COMMUNITY SERVICES DISTRICT
CODE SECTIONS 3.03.110, 3.03.120, 3.03.180, AND 3.04.140**

On October 11, 2017, the Board of Directors of the Nipomo Community Services District ("District") introduced on first reading an ordinance amending Nipomo Community Services District Code ("District Code") Sections 3.03.110, 3.03.120, 3.03.180, and 3.04.140 ("Ordinance").

The Ordinance will amend Section 3.03.110 concerning disputes and adjustments to water and sewer bills by removing the limitation on adjustments available to non-residential customers and making minor clarifications to the existing language. Section 3.03.120 concerning leak adjustments to water bills will be amended to (i) require customers seeking leak adjustments to submit a request before the water bill's due date, (ii) remove references to water rate tiers, (iii) allow water used in excess of the customer's average to be charged at a rate, to be established by Resolution, that does not include costs associated with supplemental water, rather than at Tier 2, (iv) preclude adjustments for less than \$100, (v) require a signed acknowledgement and payment of the adjusted bill within fifteen days of the due date of the original bill, (vi) preclude leak adjustments for previous billing cycles, (vii) preclude the spreading of adjustments over more than one billing cycle, and (ix) make limited, non-substantive changes to clarify the existing language.

The Ordinance will amend District Code Section 3.03.180 and Subsection B.2. of Section 3.04.140 to provide that the District's water rates and charges, sewer charges, and bi-monthly private fire protection charges will be established by Resolution. The Ordinance will also strike Appendices A through D of District Code Chapter 3.03, which previously set forth the District's water rates and charges, and the chart in Subsection B.2 of Section 3.04.140, which previously set forth the Bi-Monthly Private Fire Protection Charges. Section 3.03.180 will also be amended to strike previous Subsection B of Section 3.03.180, which established supplemental water charges, and to renumber the remaining subsections accordingly.

The first reading and introduction of the Ordinance occurred on October 11, 2017. Second reading and adoption of the Ordinance is scheduled for the October 25, 2017, regular Board of Directors meeting.

The Ordinance is available for review in the District's office (148 South Wilson Street, Nipomo, California 93444) during normal business hours, and on the District's website: www.ncsd.ca.gov. Questions may be directed to Mario Iglesias, General Manager, at miglesias@ncsd.ca.gov or (805) 929-1133.

Water Rate Increase and Changes to Rate Structure

On Wednesday, October 11th, District Board of Directors held a hearing during their Regular meeting and adopted a new uniform rate structure and water rate increase.

Adoption of the uniform rate structure eliminates tiered rates – the rate per unit will now remain the same for all units consumed and be the same for all water users. Additionally, Supplemental Water rates will now be blended into the bimonthly rates.

Under the new uniform rate structure, customers will see a decrease in their bi-monthly cost (Fixed Charge), depending on meter size, and all users will now pay \$4.97 per unit of water used (Volume Charge). The Fixed and Volume Charges will increase an average of approximately 9% per year for the 5-year period ending 2022.

The District's last rate increase in the Water Division became effective on November 1, 2015 and was based on a 5-year rate study adopted in September 2010. The last rate increase for supplemental water became effective July 1, 2017. Rate increases are necessary to ensure that the District has sufficient revenues to fund operating and capital needs and provide appropriate levels of operating, capital, and emergency reserves. Additionally, there are inflationary factors that put pressure on the cost of import water from the City of Santa Maria via the Nipomo Supplemental Water Project as well as supplies and services needed to operate and maintain the water system.

A typical single-family residential customer using 19 units of water can expect to see a Water Volume Charge increase of approximately \$14 on their two-month bill (\$7 monthly). The rate increase goes into effect December 1, 2017 and customers will see the increase beginning with their January/February water bill.

A breakdown of the new rate structure and comparisons of the adopted new rates with other local water purveyors can be found on the District's website.

Next Scheduled Regular Board Meeting: Wednesday, October 25th, 2017, 9AM, District Jon S. Seitz Board Room 148 South Wilson, Nipomo.

For more information, please contact the Nipomo Community Services District at 929-1133, info@ncsd.ca.gov, or visit www.ncsd.ca.gov.

###

Established in 1965 to meet the health and sanitation needs of the local community, Nipomo Community Services is pleased to provide a wide variety of services throughout its district including the provision of water, sewer, and waste management services as well as lighting and drainage in limited areas. The mission of Nipomo Community Services District is to provide its customers with reliable, quality, and cost-effective services now and in the future.

Inside NCSD

Inside NCSD: Be part of the conversation

Sep 28, 2017

Mario Iglesias

As the general manager for the Nipomo Community Services District I recently had an opportunity to present the District's proposed water rate adjustment to the Nipomo Rotary and Nipomo Lions community service clubs.

There were many questions and a level of understanding one gets from likeminded individuals committed to service. While no one wanted their rates to increase, attendees engaged in discussions about matters driving cost increases to develop a deeper understanding of the matter. Mostly, people looked for assurances that water would be available when they want it and requested more information on what water challenges to expect in the future.

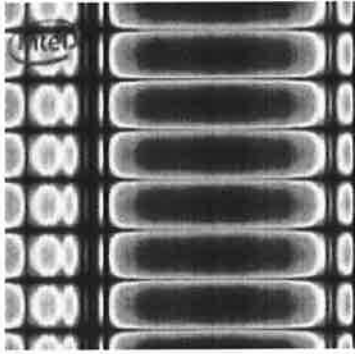

Challenges do lie ahead for the District's water supply. On Sept. 22, the first day of fall, it snowed in the Sierras! Does this mean we will have a wet winter? There is still tension in many minds over weather conditions here on the Central Coast. Twelve months ago most wondered if we'd ever see a "normal" winter season again. While the drought has eased, for those who are still unable to build a home because they can't get water service, the drought continues.

The optics of the situation seem confusing. Drive down Nipomo's main drag and you see new homes and businesses being built. Santa Maria has a massive new shopping mecca and large housing developments are springing up all over town. In San Luis Obispo there is a ground-breaking ceremony for 172 new homes announced in the local paper. How does all this growth get approved during a water shortage?

See More

Sure, we all know that complaining about these problems won't solve them, but what else can we do? Maybe a certain level of complaining leads to a higher level of conversation and just maybe that could lead to action supported by a better understanding of the problems we face. Building consensus is not easy, but it is the way we can advance to solutions.

The District's board is a local example of committed individuals who reflect the diverse perspective and views found in Nipomo. They understand the challenge; find a way to meet the needs of the utility systems so the utility systems can meet the needs of customers. They take action in response to diminishing water supplies. They explain to a confused community how growth and development factor into the District's overarching responsibilities and why utility costs must be adjusted to maintain expected services. They have difficult conversations with their community because they recognize it is essential to address issues rather than kick them down the road for some future generation.

The District's board, staff, and consumers all play a role in supporting the underlying infrastructure necessary for Nipomo to sustain a healthy place for a thriving community. Consider this a call to action. As a consumer you can stay informed through our District website and add your voice to the conversations on rates, development, conservation and other items. Developing an understanding of these issues is not the same as liking them. Ask questions. My new found friends at the Rotary and Lions service clubs did. Your questions deserve answers too.

Until next time...

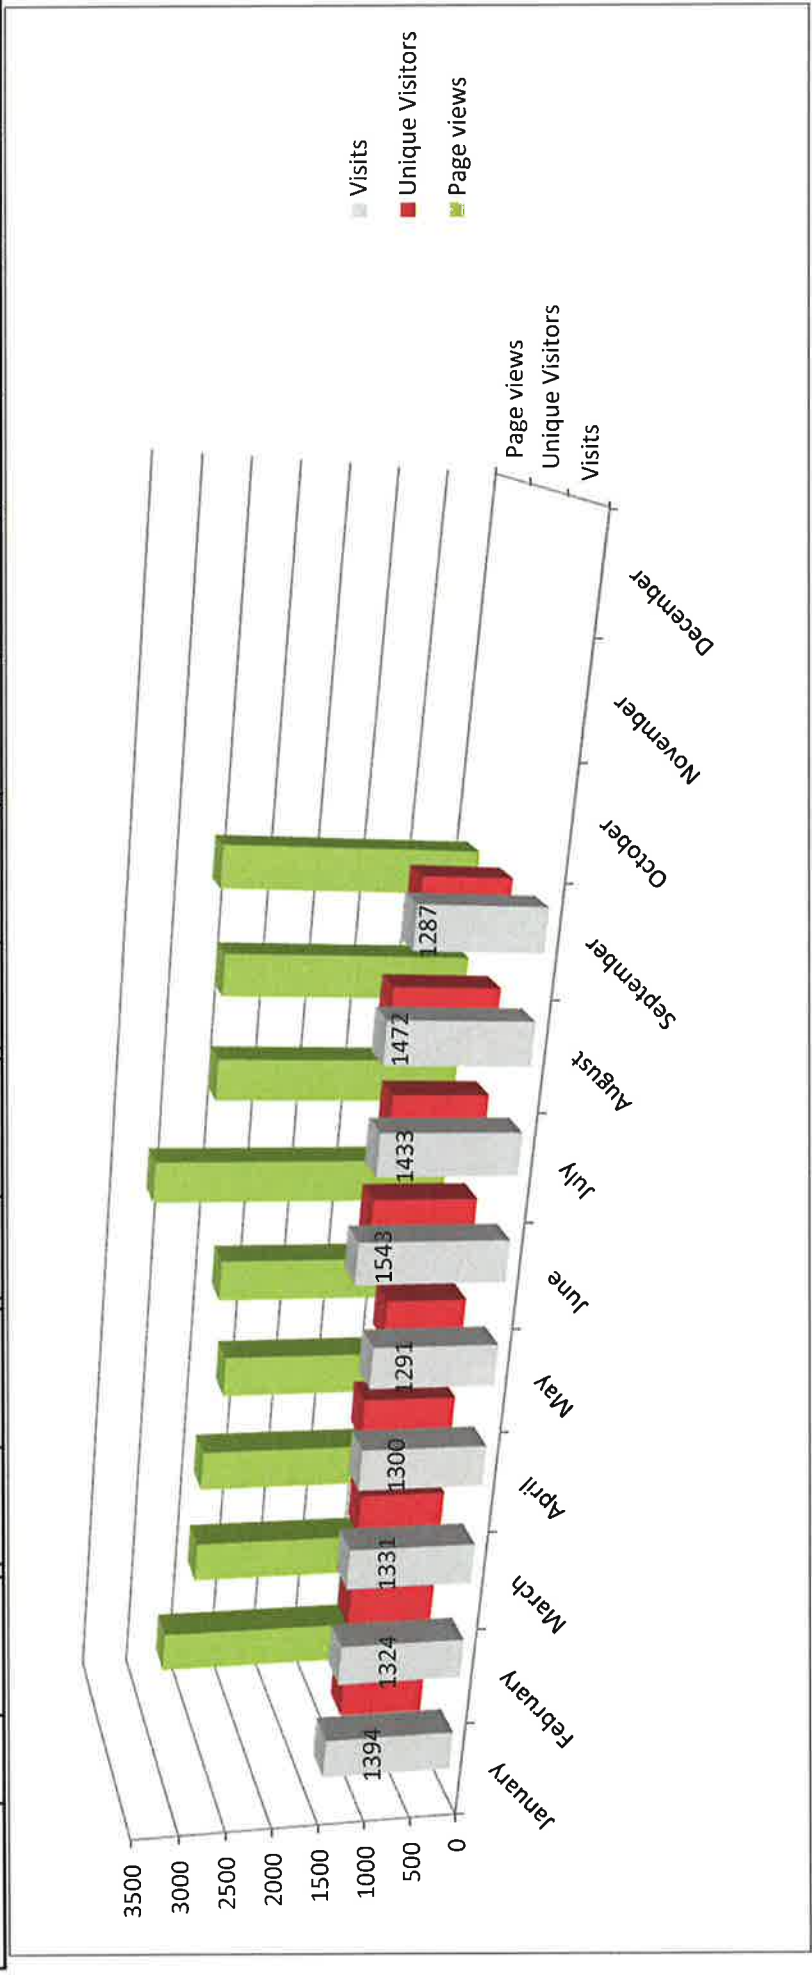

Mario Iglesias is the general manager of the Nipomo Community Services District. He can be reached by calling 929-1133 or by email at info@ncsd.ca.gov.
