

Announcing: A rebate program for residents of Arroyo Grande, Nipomo and San Luis Obispo!

Rain Garden

By using rain-friendly practices on your property, you can help our community value our precious rainwater and protect our environment.

A new residential rebate program called "StormRewards" will help residents to design, install and pay for, rain-friendly practices.

Rebates up to \$999 will be available for rain-friendly projects such as rain gardens, pervious pavement, and rain barrels. A workshop to introduce the StormRewards Program will be held at the City Council Chambers in Arroyo Grande on March 3rd. The workshop will cover program eligibility and basic aspects of homeowner project design, construction and materials.

Rain barrels

AirVol Block Pervious Pavers

Who should attend?

- Residential homeowners
- Homeowner/mobile home associations
- Businesses interested in participating in the program as service providers such as landscape contractors and material suppliers.

StormRewards Workshop Date and Location

Thursday, March 3, 2016

6-8 p.m.

215 E. Branch Street, Arroyo Grande (City Council Chambers)
