Proper Disposal of Your Household Items

Many electronic products such as computers, televisions, microwave ovens and other common items such as household batteries, paints and solvents are considered Household Hazardous Waste (HHW).

Proper disposal of HHW is vital to preserving our community's environmental health. HHW materials **should not be** flushed in the toilet, dumped in a drain or disposed of in the regular trash. The penalties can be substantial.

Household Hazardous Waste must be taken to a licensed disposal facility.

Nipomo residents can dispose of items at the Nipomo Household Hazardous Waste Facility at 590 Southland (access from Frontage Road) on SATURDAYS ONLY from 11am – 3pm.
