## New Recycling Program

A new container at your residence has been set up to take RECYCLING. When you bring your RECYCLING from your home to the outside container, just make sure it gets placed in the blue container with the sign on it that says RECYCLE.

It is that simple. On the other side of this letter is a full list of items that can be recycled. We are happy to provide you a free recycling container that can be used inside your home.

Recycling tip: You can put an old paper bag inside of your household container. When the bag is full you dump the recyclables, including the old grocery bag, into the "recycling" dumpster.
