PRESS RELEASE -

2015-16 ASPHALT OVERLAY ON VARIOUS ROADS IN NIPOMO, CONTRACT NO. 300550 – October 13, 2015 - The County of San Luis Obispo Department of Public Works will begin construction of an asphalt pavement overlay on various roads in Nipomo. Work is scheduled to start on Monday, October 19, 2015 and continue through the middle of January 2016, weather permitting.

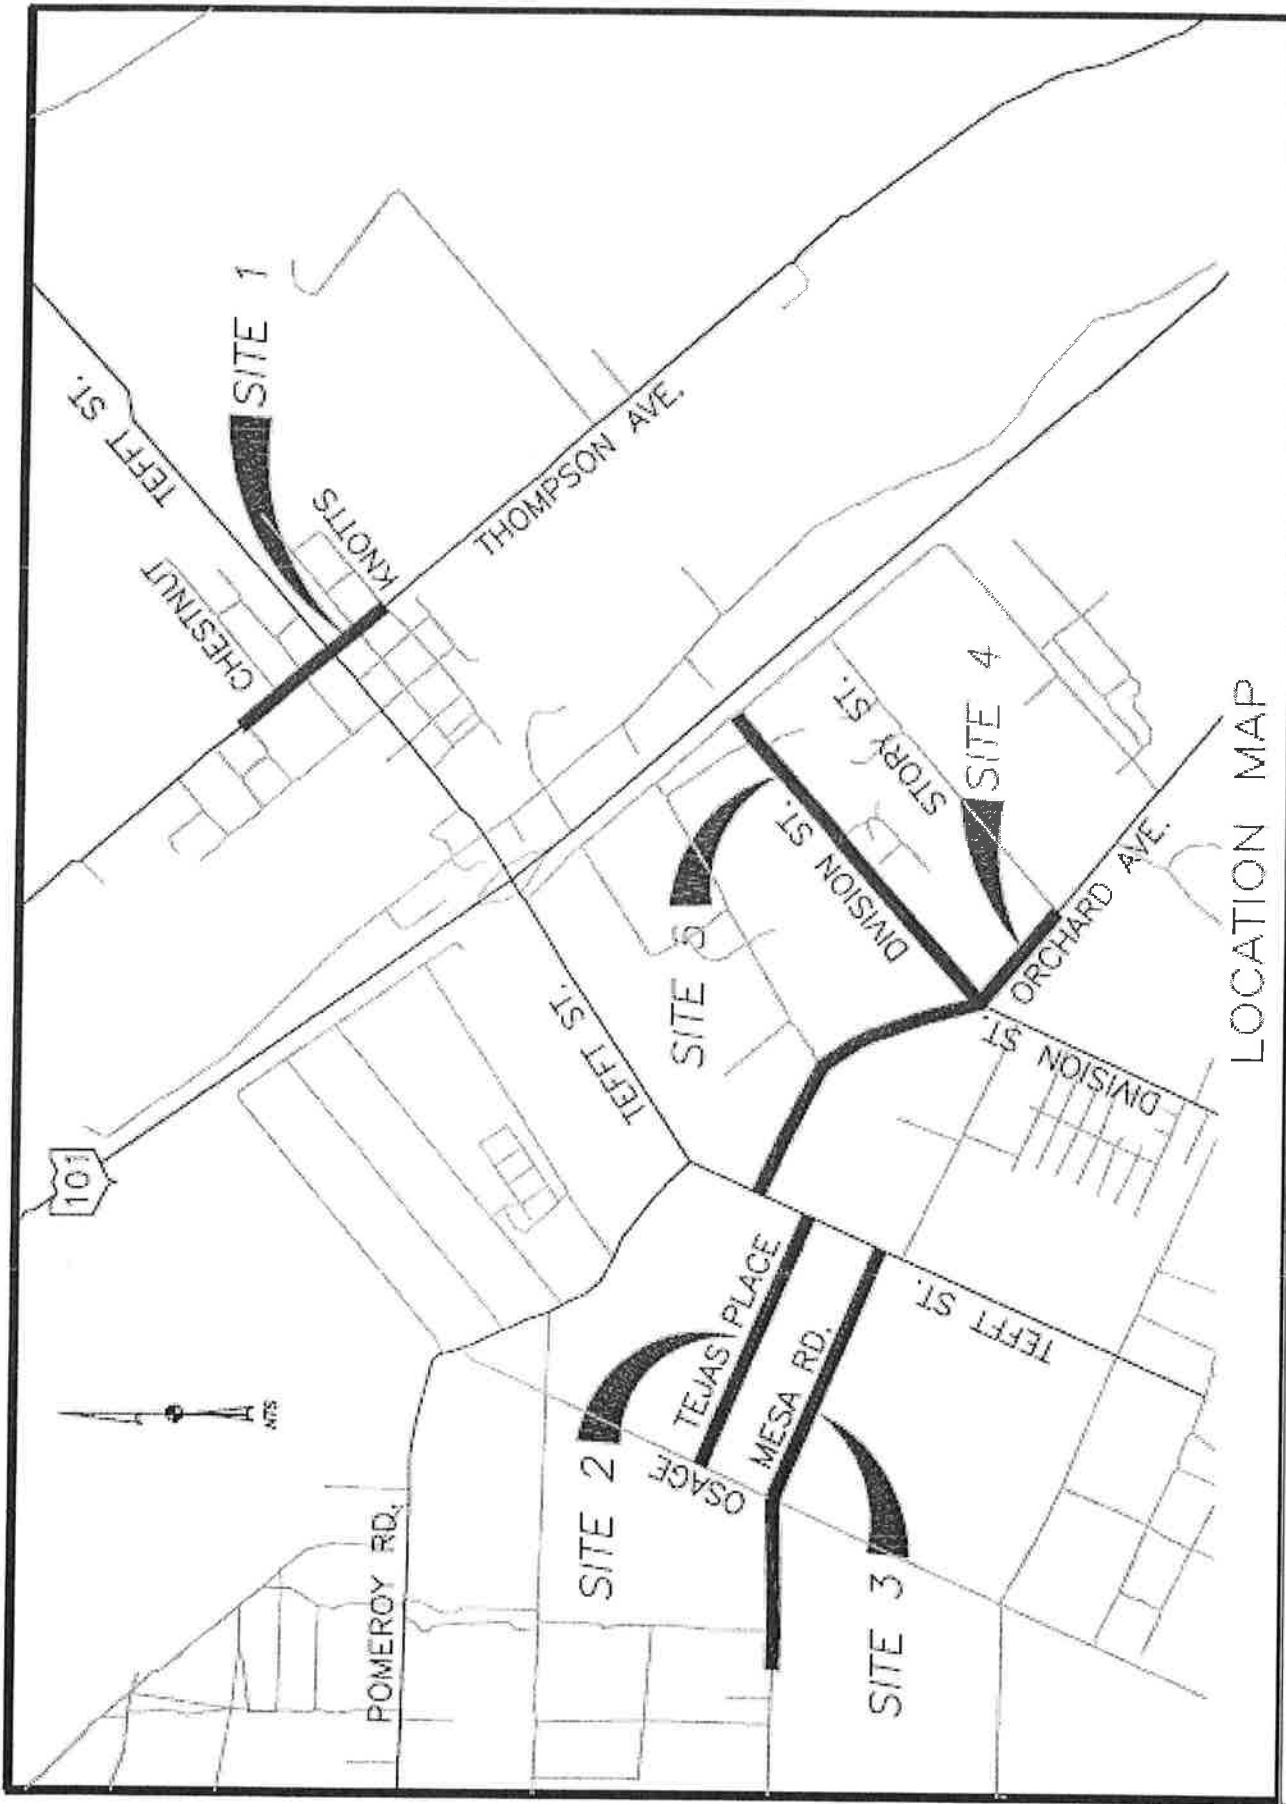

The limits of work include:

- Site 1: Thompson Avenue – Chestnut Street to Knotts Street
- Site 2: Tejas Place – Osage Street to Tefft Street
- Site 3: Mesa Road – Charro Way to Tefft Street
- Site 4: Orchard Avenue – Tefft Street to Story Street
- Site 5: Division Street – Orchard Avenue to South Frontage Road

The project includes removing and replacing existing curb ramps, installing a bus pad on Thompson at Branch Street, widening Orchard Avenue to provide a continuous center turn lane, new bike lane striping and upgrading traffic signal detection.

Two lanes will be maintained during the majority of the construction with limited exceptions during the paving operation. Delays should be expected and motorists are advised to adjust their travel plans. Hours of work will be from 7:00 a.m. to 4:00 p.m.

The work has been identified in the County's Pavement Management Plan to maintain the pavement structural section, avoid costly repairs in the future and to provide for a smooth, safe road. The project is part of an \$11 million pavement rehabilitation program being undertaken by the County.
