SAN LUIS OBISPO COUNTY
USE PERMIT
U0067

THIS PERMIT, is made and entered into by and between the County of San Luis Obispo, a public entity in the State of California (hereinafter "County") and the Olde Towne Nipomo Association, a 501 (c)-3 nonprofit corporation, (hereinafter "Permittee"). County and Permittee hereby agree as follows:

1. **Premises:** County hereby gives permission to Permittee to access and use County-owned property located at the southeast intersection of Tefft Street and Carrillo Street in Nipomo, CA, APN 090-142-007 along with the adjacent 60-foot-wide strip of land to the west of this parcel, formerly a railroad right-of-way (portion of APN 090-151-008), hereinafter referred to as "Premises" and shown on Exhibit "A".

2. **Use:** Permittee is hereby authorized and granted the non-exclusive access and use of the Premises for the purpose of processing improvement plans and to promote funding for a park to be owned and operated in the future by the Nipomo Community Services District ("NCSD"). Approved uses include installation of a sign promoting the development of the park and special events sponsored by Permittee on the Premises, provided that prior approval for such events is obtained in writing from the County Real Property Manager and from the County Planning and Building Department, if necessary. Permittee may make improvements to the Premises provided that they are consistent with Paragraph 8. Permittee may not use the Premises for any other purpose. In the event that another party desires to use the Premises for any purpose, County shall first obtain Permittee's approval in writing and then may issue a County Use Permit.

Permittee acknowledges that the Premises are intended to be transferred to the NCSD in the future and that County and the NCSD have entered into a Memorandum of Understanding, dated 3/24/2009 and in the process of being amended, which defines the steps leading to the transfer of the Premises to the NCSD.

Permittee acknowledges that the sewer lift station on the Premises belongs to the NCSD and Permittee's use of the Premises shall not interfere with the NCSD's access to and use of their sewer lift station.

Permittee acknowledges that the County will be constructing a park-n-ride lot in the Carrillo Street right-of-way along the westerly property line of the Premises and that the project includes a proposed sidewalk and drainage area that will be placed within the westerly 20-foot wide portion of Premises, with an approximate location as shown in Exhibit "B". Permittee shall allow the sidewalk and drainage area to be constructed and maintained on the Premises and Permittee's use of the Premises shall not interfere with the public's access and use of the sidewalk or with the function and of the drainage improvements.

Permittee acknowledges that the County may continue to use the Premises to sponsor Nipomo Clean-Up Day and to park County Public Works vehicles and equipment in the event of emergencies.

3. **Term:** The term of this Permit shall be for one (1) year from the effective date of the First Amendment to Memorandum of Understanding Between the County of San Luis Obispo and the Nipomo Community Services District Regarding Transfer of Ownership in County-Owned Real Property. This term may be extended for two (2) one-year periods upon Permittee's written notice to County and upon County's approval. This Permit may be terminated at any time and for any reason deemed necessary by either party upon 60 days written notice to the other party. This Permit will immediately terminate upon transfer of ownership of the Premises from County to NCSD.

4. **Permit Fee:** County waives the Permit Fee for this Use Permit.

5. **Insurance:** Permittee shall obtain and maintain for the entire term of the Permit and Permittee shall not perform any work under this Permit until after Permittee has obtained insurance complying with the provisions of this paragraph, and delivered a copy of the insurance certificate for each insurance policy to the County. Said policies shall be issued by companies authorized to do business in the State of California. Permittee shall maintain said insurance in force at all times. The following coverage with the following features shall be provided:

a. **Commercial Liability Insurance:** Permittee shall maintain in full force and effect for the period covered by this Permit, commercial liability insurance. This insurance shall include, but shall not be limited to, comprehensive general and automobile liability insurance providing protection against claims arising from bodily and personal injury, including death resulting therefrom, and damage to Premises resulting from any act or occurrence arising out of Permittee's operations in the performance of this Permit, including, without limitation, acts involving vehicles. The policy shall provide not less than single limit coverage applying to bodily and personal injury, including death resulting therefrom, and property damage in the total amount of One Million Dollars (\$1,000,000). The following endorsements must be attached to the policy:

- (1) If the insurance policy covers on an "accident" basis, it must be changed to "occurrence".
- (2) The policy must cover personal injury as well as bodily injury.
- (3) Blanket contractual liability must be afforded and the policy must contain a cross liability or severability of interest endorsement.

b. **Workers' Compensation Insurance:** In accordance with the provisions of sections 3700 et seq., of the California Labor Code, if Permittee has any employees, Permittee is required to be insured against liability for workers' compensation or to undertake self insurance. Permittee agrees to comply with such provisions before commencing the performance of this Permit.

c. **Additional Insureds to be Covered:** The commercial general liability policies shall name the "County of San Luis Obispo, its officers, employees, and agents" as additional insureds. The policy shall provide that the Permittee's insurance will operate as primary insurance and that no other insurance maintained by the County, or additional insureds will be called upon to contribute to a loss hereunder.

d. **Certification of Coverage:** Prior to commencing work under this Permit, Permittee shall furnish County with the following for each insurance policy required to be maintained by this Permit:

- (1) A copy of the Certificate of Insurance shall be provided. The certificate of insurance must include a certification that the policy will not be canceled or reduced in coverage or changed in any other material aspect without thirty (30) days prior written notice to the County.
- (2) A Workers' Compensation certificate of insurance must be provided.
- (3) Upon written request by the County, the Permittee shall provide a complete insurance policy.
- (4) Approval of Insurance by County shall not relieve or decrease the extent to which the Permittee may be held responsible for payment of damages resulting from Permittee's services or operations pursuant to this Permit. Further, County's act of acceptance of an insurance policy does not waive or relieve Permittee's obligations to provide the insurance coverage required by the specific written provisions of this Permit.

e. **Effect of Failure or Refusal:** If Permittee fails or refuses to procure or maintain the insurance required by this Permit, or fails or refuses to furnish County with the certifications required by subparagraph (d) above, County shall have the right, at its option, to forthwith terminate the Permit for cause.

6. **Indemnification:** Permittee shall defend, indemnify and hold harmless the County, its officers and employees from any and all claims and demands, costs, expenses, judgments, attorney fees or liabilities that may be asserted by any person or entity that arise out of or in connection with the acts or omissions relating to the performance of any obligation or duty provided for or relating (directly or indirectly) to this Use Permit, the tenancy created under this Use Permit, or the Premises hereunder. The obligation to indemnify shall be effective and shall extend to all such claims and losses, in their entirety, even when such claims or losses arise from the comparative negligence of the County, its officers and employees. However, this indemnity will not extend to any claims or losses arising out of the sole negligence or willful misconduct of the County, its officers and employees.

The preceding paragraph applies to any theory of recovery relating to said act or omission by the Permittee, or its agents, employees or other independent contractors directly responsible to Permittee, including, but not limited to, the following:

- a. Violation of statute, ordinance, or regulation.
- b. Professional malpractice.
- c. Willful, intentional or other wrongful acts, or failures to act.
- d. Negligence or recklessness.
- e. Furnishing of defective or dangerous products.
- f. Premises liability.
- g. Strict liability.
- h. Inverse Condemnation.
- i. Violation of civil rights.
- j. Violation of any federal or state statute, regulation, or ruling resulting in a determination by the Internal Revenue Service, California Franchise Tax Board or any other California public entity responsible for collecting payroll taxes, when the Permittee is not an independent contractor.

It is the intent of the parties to provide the County the fullest indemnification, defense, and hold harmless rights allowed under the law. If any word(s) contained herein are deemed by a court to be in contravention of applicable law, said word(s) shall be severed from this Permit and the remaining language shall be given full force and effect.

7. **Maintenance:** Permittee hereby agrees and is required to maintain the Premises in good order and repair at all times, including trash collection and annual weed abatement, during the term of this Permit. Upon termination of this Permit, Permittee shall restore the Premises to original condition, reasonable wear and tear excepted.

8. **Design and Construction of Improvements:** Permittee accepts the Premises in an "AS IS" condition, without any representations, express or implied, as to the condition, suitability, usefulness, merchantability, fitness for particular purpose, or otherwise, of the Premises. Permittee shall have the right to construct improvements on the Premises at Permittee's sole cost and expense provided that such improvements are consistent with the park design approved by the NCSO and the County of San Luis Obispo Department of Planning and Building. No facility, sign, except where a sign is exempted from permit requirements by Section

23.04.306(2) of the San Luis Obispo County Code, or improvement of any type shall be constructed or located on the Premises unless and until the design, location, and the type of any and all proposed construction materials have been expressly approved in writing by the General Services Agency Director ("Director") or designee. Each party shall cooperate with the other if field conditions require minor changes to the Development Plan. Permittee shall be responsible for the monitoring of all activity during Permittee's use of the Premises, and shall comply with all such rules and regulations necessary to protect the health, safety, and welfare of the public therein.

In the design and construction of the improvements to the Premises, the following shall apply:

A. Permittee's use of said Premises is subject to all statutes, ordinances and regulations, including, without limitation, those relating to land use and zoning now or hereafter applicable to the Premises, and to all covenants, easements, reservations and restrictions of record applicable to the Premises. Permittee, agent or contractor will be solely responsible for securing all permits, adherence to regulations and dealings with the County of San Luis Obispo Planning and Building Department, or other appropriate agencies, for construction on the Premises.

B. Permittee shall be responsible for installing and maintaining any landscaping and sprinkler systems that Permittee installs on the Premises including, without limitation, spraying, trimming, watering, and replanting trees and shrubs.

D. Permittee shall comply with the Americans with Disabilities Act and all applicable laws at Permittee's sole cost and expense. All improvements shall be maintained and repaired by Permittee at Permittee's sole cost and expense.

E. Permittee shall be responsible for obtaining any required environmental determinations for Permittee's improvements from the appropriate agency(s). If an EIR or other environmental review is needed, Permittee shall comply at Permittee's sole cost and expense. Permittee shall be responsible for any and all environmental mitigation at Permittee's sole cost and expense.

F. Permittee shall construct any proposed improvements at Permittee's sole cost and expense. Permittee shall seek and obtain its own legal advice with regard to the possible applicability of State or Federal wage regulations and other labor laws, or other laws.

9. Ownership of Improvements: The ownership of all approved improvements constructed by the Permittee during the term of this Use Permit shall remain in Permittee until expiration of the term of this Use Permit.

At the expiration or earlier termination of this Use Permit, all permanent structures, alterations, modifications, or improvements upon the Premises made by Permittee shall, absent any agreement between the County and Permittee to the contrary, or unless County otherwise elects, which election shall be made by giving a notice in writing not less than ninety (90) days prior to the expiration or other termination of this Use Permit, become County property free and clear of all claims to or against the improvements by Permittee or any third person, and Permittee shall defend and indemnify the County against all liability and loss arising from such claims or from the County's exercise of the rights conferred by this paragraph, and County shall be responsible for the removal of said improvements.

In the event County elects not to take ownership of the permanent improvements, County shall notify Permittee to remove any or all of the permanent structures, alterations, modifications, or improvements, and Permittee shall do so, at Permittee's sole cost and expense, and shall promptly repair any damage caused by such removal in a first class manner. Removal is to be completed no later than three (3) months from the date of said notice or at such further time as County may agree to in writing. In the event Permittee fails to remove any or all of the permanent structures, alterations, modifications, or improvements as required by County, County may remove same and charge Permittee for the cost of such removals and Permittee hereby agrees to pay any and all such costs upon demand.

10. **Environmental Matters/Covenants Regarding Hazardous Materials:** Permittee shall at all times and in all respects comply with all federal, state and local laws, ordinances and regulations ("Hazardous Materials Laws") relating to industrial hygiene, environmental protection, or the use, analysis, generation, manufacture, storage, disposal or transportation of any oil, flammable explosives, asbestos, UREA formaldehyde, radioactive materials or waste, or other hazardous, toxic, contaminated or polluting materials, substances or wastes, including, without limitation, any "hazardous substances," "hazardous wastes," "hazardous materials" or "TOXIC SUBSTANCES" under such laws, ordinance or regulations (collectively, "Hazardous Materials").

Permittee's obligations hereunder shall include, without limitation, and whether foreseeable or unforeseeable, all costs of any required or necessary repair, cleanup or detoxification or decontamination of the Premises, and the preparation and implementation of any closure, remedial action or other required plans in connection therewith caused by Permittee and shall survive the expiration or earlier termination of the term of the Permit.
