

Storm Rewards

Rebates up to \$999.00

By using rain-friendly practices on your property, you can help reuse rainwater and protect our environment.

Free Workshops

Free workshops to introduce the Program will be held at three locations. Each workshop will cover program eligibility and basic aspects of homeowner project design, construction and materials.

This rebate program called "StormRewards" will help residents of Nipomo, the City of San Luis Obispo and the City of Arroyo Grande design, install and pay for rain-friendly practices. Rebates up to \$999 will be available for qualifying rain-friendly projects such as rain gardens and pervious pavement.
