Nipomo CSD Receives Accounting Excellence Award for a Fourth Year

In February, the Government Finance Officers Association (GFOA) notified Nipomo CSD that the District's annual financial report for 2015-2016 qualified for and has received the Association's Achievement of Excellence in Financial Reporting. The annual financial report is audited by a third party.

The GFOA's Certificate of Achievement is the highest form of recognition in governmental accounting and financial reporting. Attainment of the Certificate represents a significant accomplishment by a government and its management.

Submissions to the program are reviewed by selected members of the GFOA professional staff and the GFOA Special Review Committee (SRC), which comprises individuals with expertise in public sector financial reporting and includes financial statement preparers, independent auditors, academics, and other finance professionals.

The Association also specifically recognized District Finance Director and 25-year District employee, Ms. Lisa Bognuda with an Award of Financial Reporting Achievement for her instrumental role in the District achieving a level of accounting excellence.

At its March 8th Regular Meeting, District Board of Directors commended staff for their efforts.

This is the fourth year in a row the District applied for consideration and received the award. In 2014, Nipomo CSD was the first special district in the County to receive this level of recognition on its annual audit. In being so recognized, the District joins less than fifty special districts state-wide—most of which are much larger organizations.
