**Subject:** 'DANA Reserve' UNFAIR Water Annexation

Neighbors, Don't let the moneyed developers CUT IN LINE to receive excessive water for the Unwanted, Destructive 'Dana Reserve'!

There are local individuals who play by the rules, waiting for their projects to be approved, they will be bumped or lose out to the demands of the huge Dana Reserve development. UNFAIR! UNJUST! CRONYISM!  
THE COMMUNITY IS WATCHING.

Respectfully,  
Heather Howell  
Concerned Citizen

Subject

Dana Reserve Annexation to NCSD

Message

DONT LET WEALTHY DEVELOPERS CUT IN LINE TO ACCESS NIPOMO WATER.

'The HUGE, UNWANTED Dana Reserve' Development will overwhelm NCSD water capacity for other community projects, and shows UNFAIR & UNJUST Preference to Wealthy Developer.

Stand with the community, the Majority, NOT SPECIAL INTERESTS AND PRIVATE PROFIT.

Respectfully,

Heather Howell

**Subject:** Approve the Dana Reserve Project

**Nipomo Community Service Directors:**

**I want you to approve of the Dana Reserve Project.**

**I, Jeanie Dalton, own 4 properties in the Community Services District. I have lived in Nipomo for 45 years. I want you to approve the Dana Reserve Project. It will spread the cost of you buying water From Santa Maria and improve and modernize the water and sewer system in Nipomo. We need good development after being the abused stepchild of San Luis Obispo County for as long as I've lived here.**
