

Join us for a Community Engagement Session to Provide Input on the DESAL Plan

We want to hear from you!

The San Luis Obispo County Flood Control and Water Conservation District is hosting two identical in-person community engagement sessions to share progress on the DESAL Plan Feasibility Study and the preliminary evaluation results, and to solicit feedback from the community as the Feasibility Study is developed and finalized.

These sessions will be in-person only and light refreshments will be provided. Please attend whichever is most convenient for you!
