***Annual Adjustment.** Commencing July 1, 2009, and each fiscal year thereafter, the capacity charge shall be increased to reflect the increase in the costs of the construction of District facilities. The determination of whether there has been an increase in costs and the amount of the increase in costs shall be determined by the percentage increase in the 20-Cities Construction Cost Index published by the Engineering News Record using the July, 2007 value of seven thousand nine hundred fifty-nine (7,959) as the basis and the Index value for May of each year to calculate the increase

Index value for May 2026 is 14,176
