

August 2026

Nipomo Community Services District

Provide our customers with reliable, quality, and cost-effective services now and in the future.

2026 BOARD MEMBER ELECTIONS

For the upcoming November 2026 election cycle, there are three 4-year term Board Seats up for election at the Nipomo Community Services District. Persons elected to the Board of Directors serve a 4-year term. To be nominated, the candidate must be a resident of the District and be a registered voter.

The nomination period is closing soon. Candidacy forms and related nomination documents are available with the County Elections Official. Interested parties can call the County Election office for more information at 805-781-5228.

Interested in our Water or Wastewater System?

The District offers tours of our facilities to all interested customers. If you would like to learn how our Water and Wastewater Systems work, tours are available by appointment Monday through Friday, during regular business hours. Please call General Manager Ray Dienzo at 805-929-1133, or email info@ncsd.ca.gov to schedule a tour. Small groups welcome!

We value what you think!

Please let us know how we are doing so we can serve you better. Use the QR code shown, or visit <https://forms.gle/bja1pc5sqnRxD5wt6> to fill out the survey.

The District's Board meets at 9am in the Jon S. Seitz Board room.

Upcoming Board Meetings thru 2026:

- ♦ August 26, 2026
- ♦ September 23, 2026
- ♦ October 28, 2026
- ♦ November 18, 2026
- ♦ December 9, 2026

The Nipomo Community Services District continues to accept applications for water and sewer services within the District's service boundaries.

There is sufficient water and sewer capacity for all in-fill lots, as well as requests for new water and/or sewer services for new development.

Projects in Progress

- Frontage Road Trunk Sewer Replacement Phase 1 – upgrade from 15" to 18" diameter gravity sewer main on Frontage Road between Juniper St. and Division St. – *completion in August 2026*
- New 1-Million Gallon Water Storage Tank at Foothill Tank Site – *Fall 2026*
- Update the District Strategic Plan
- Update Urban Water Management Plan
- Meter change out program to Advance Metering Infrastructure (AMI) - *ongoing*
- Blacklake Sewer Consolidation project – *completion in August—September 2026*

URBAN WATER MANAGEMENT PLAN UPDATE

- Staff is currently updating the NCSD Urban Water Management Plan. The UWMP is updated every 5 years, and is a helpful planning tool that guides how we manage and use our water resources for the future. Not only does it make sure we follow important state rules, but it also helps provide reliable information when making decisions about our water supply. The UWMP supports community plans and helps different agencies work together to make smart choices about water, keeping our region prepared for the years ahead.
- Board will consider the Administrative Draft on August 26, 2026 and adoption of the Plan at the Public Hearing on November 18, 2026.

Extra Garbage Services

Don't forget to use your two complementary annual bulk pickup vouchers! These vouchers take the place of Clean-Up week, with one voucher to be used from January to June, and the other to be used July through December. Don't worry if you don't have a voucher in hand. Please call South County Sanitary Services at (805) 489-4246 to schedule your pickup.

Each voucher provides for an additional (6) - 32 gallon trash bags, and 1 bulky item on your trash day. Also, remember household hazardous waste materials like paint and motor oil, and e-waste, like a microwave or printer, can be properly disposed of at the Household Hazardous Waste Facility located at 509 Southland St. in Nipomo on Saturdays, from 11:00 am to 3:00 pm. Call (805) 782-8530 for information.
